ENDORSEMENT

Honourable W.L. Whalen

A Case Management Conference (CMC) was held by teleconference on June 5, 2015, at 1:00 P.M., Eastern Time (Ottawa).

[1] The Parties reported that an Amended Declaration of Claim and an Amended Response had been filed.

[2] The Parties further reported that they had met with their experts to consider if further research might be necessary in view of the amended pleadings. The Respondent indicated that their expert is conducting further research and expects to produce a report (including further documents found) by the end of August 2015. The Claimant indicated that their expert did not expect to do further research, however, the Claimant has additional documents to add to the record, which shall be produced on or before **June 19, 2015**.

[3] The Parties confirmed that they are working cooperatively on a Common Book of Documents with documents produced to date. They are also working cooperatively on an Agreed Statement of Facts. The Parties agree that the Common Book of Documents and Agreed Statement of Facts cannot be finalized until the Respondent's Experts' Report has been completed and produced.

[4] The next CMC will be held by teleconference on **September 9, 2015**, at 9:00 A.M., Eastern Time (Ottawa).
