Honourable Paul Mayer

UPON THE NOTICE OF APPLICATION on consent of the Parties dated November 16, 2018, to request an additional stay of proceedings for a period of six months beginning November 17, 2018, to allow the Parties to continue working towards a negotiated settlement of the Claim;

AND CONSIDERING that the Parties have complied with Practice Direction # 15 in providing their joint Application for an extension to the stay of proceedings;

AND CONSIDERING that the Parties have submitted a draft work plan and a timeline that has convinced the Tribunal that a timely resolution of this Claim is possible through negotiation within a reasonable period of time;

AND CONSIDERING that the Parties have been diligently working towards a settlement within the initial time granted for the stay of proceedings;

AND FURTHER that the Parties are hopeful that they will be able to reach an agreement on the issue of compensation within the next six months;

THE TRIBUNAL ORDERS THAT:

[1] A stay of proceedings is granted for an additional six months, namely until May 17, 2019, to allow the Parties to negotiate a settlement;

[2] Should the Parties reach a roadblock in negotiations, the Parties consider Tribunal-assisted mediation of unresolved issues generally or discrete issues that have impaired the progress of their negotiations; and,

[3] The Parties may seek the assistance of the Tribunal as required during negotiations by contacting the Registry to schedule a Case Management Conference at any time.
