ENDORSEMENT

Honourable Paul Mayer

A Case Management Conference (CMC) was held by teleconference on August 22, 2018, at 2:00 P.M., Eastern Time (Ottawa).

[1] The Parties will work collaboratively with the aim of finalizing a Draft Agreed Statement of Facts and Common Book of Document within 45 days.

[2] The Parties confirmed that they had agreed to bifurcation of the Claim; however, given that the Respondent will be seeking a responding expert loss of use report and that such report may take 1-2 years to prepare, this question will be revisited at the next CMC and no bifurcation order will be issued at present.

[3] The Respondent will advise at the next CMC if it has obtained a timeline for completion of its responding expert report.

[4] The next CMC will be held by teleconference on **October 2, 2018**, at 4:30 P.M., Eastern Time (Ottawa).
