ENDORSEMENT

Honourable Harry Slade, Chairperson

A Case Management Conference (CMC) was held by teleconference on April 17, 2019, at 12:00 P.M., Eastern Time (Ottawa).

[1] The Parties advised that they would like to have a Tribunal member appointed as a mediator to this file, with a mediation to be scheduled possibly for August 2019. Honourable William Grist will serve as mediator.

[2] The Tribunal indicated that if the mediation is unsuccessful, the matter would proceed to an expert evidence hearing in the fall of 2019 with another Tribunal member. In the interim, Honourable Harry Slade will preside over pre-hearing matters.

[3] The Respondent will use best efforts to serve and file its responding expert report on or before **April 30, 2019**.

[4] Once the Claimant has had the opportunity to review the Respondent's responding expert report, it will determine whether it will provide a reply expert report.
