ENDORSEMENT

Honourable William Grist

A Case Management Conference (CMC) was held by teleconference on November 8, 2018, at 2:00 P.M., Eastern Time (Ottawa).

[1] The Respondent advised the Tribunal that it has still not been able to obtain a mandate to negotiate this Claim under the Specific Claims Policy.

[2] The Claimant will consider whether, in the absence of a negotiation process, it wishes to pursue Tribunal-assisted mediation or other dispute resolution avenues.

[3] Should there be no negotiation mandate by the next CMC, the Parties shall be prepared to set dates for, at minimum, an oral history evidence hearing and site visit as soon as possible.

[4] Until the next CMC, the Respondent will update the Claimant weekly as to the progress on seeking a negotiation mandate.

[5] The next CMC will be held by teleconference on **December 19, 2018**, at 1:00 P.M., Eastern Time (Ottawa).
