ENDORSEMENT

Honourable Paul Mayer

A Case Management Conference (CMC) was held by teleconference on May 13, 2019, at 4:30 P.M., Eastern Time (Ottawa).

[1] The Parties have reviewed the preliminary expert report from Mr. Scheifele and it has a few deficiencies. Mr. Scheifele is not available to work on an update of his report until at least June 2019, with a possible final version produced in fall 2019.

[2] The Claimants have suggested to the Respondent that information regarding the timber on Reserve 35C could be used as a comparator to the timber on Reserve 35J. The Respondent is considering the information regarding Reserve 35C.

[3] The next CMC will be held simultaneously with the next CMC in files SCT-3001-16 and SCT-3002-11, which is scheduled to be held by teleconference on **June 10, 2019**, at 3:30 P.M., Eastern Time (Ottawa).

PAUL MAYER

Honourable Paul Mayer
